The sheep (goat, or ram) is among the animals that people like the most. People born in a year of the Sheep are generally believed to be elegant, charming and artistic, who like material comforts. gentle mild-mannered, shy, stable, sympathetic, amicable, and brimming with a strong sense of kindheartedness and justice. They have very delicate thoughts, strong creativity, and perseverance. Although they look gentle on the surface, they are tough on the inside, always insisting on their own opinions in their minds. Though they prefer to be in groups, they do not want to be the center of attention. They are reserved and quiet, most likely because they like spending much time in their thoughts.
